PROFESSIONAL EXPERIENCE

Marketing Executive | Applied Cloud Computing | Thane, Maharashtra

February 2025 – Present

- Plan and execute end-to-end webinar operations including invite distribution, registration tracking, speaker coordination, and post-event engagement reporting to ensure seamless attendee experience.
- Coordinate event booths and brand activations — liaise with vendors for standee design, branding materials, and on-ground setup ensuring quality and timely delivery.
- Develop and implement SEO strategies and content marketing plans to improve organic visibility and drive qualified traffic.
- Manage social media channels through content calendars, organic campaigns, and real-time community engagement, increasing post reach and audience interaction.
- Design and distribute monthly internal newsletters that boosted employee open rates by 40%, driving engagement through clear storytelling and timely updates.
- Execute email marketing campaigns including newsletters and drip sequences, monitoring open rates, CTRs, and conversion metrics.
- Collaborate cross-functionally with design, product, and sales teams to maintain consistent brand voice and messaging across all channels.
- Track, analyze, and report campaign KPIs (reach, engagement, leads, conversions) to inform strategy and demonstrate ROI.

Marketing Intern | Applied Cloud Computing | Thane, Maharashtra

August 2024 – February 2025 (7 months)

- Supported brand communication, content creation, and digital campaign management across social and email channels from day one.
- Assisted in creating and scheduling social media content and managing content calendars to maintain consistent brand presence.
- Contributed to internal newsletter production and helped improve employee engagement through structured, well-crafted communications.
- Conducted competitor analysis and market research to identify content opportunities and support strategic decision-making.
- Tracked campaign performance metrics and compiled reports to evaluate effectiveness and surface actionable insights.

KEY PROJECTS & HIGHLIGHTS

Webinar Operations: Managed full-cycle webinar logistics — invites, registrations, speaker handling, and post-webinar reporting — delivering seamless virtual events with strong attendee engagement.

Booth Branding & Vendor Coordination: Coordinated event booth setups including standee design, vendor briefings, material delivery, and on-ground brand execution for multiple events.

Internal Newsletter Program: Designed and launched a monthly employee newsletter that achieved a 40% boost in open rates through compelling storytelling and structured content.

Social Media Campaign Management: Developed content calendars and executed organic social campaigns that grew post reach and community interaction through data-driven strategies.

Campaign & Creative Execution: Led cross-functional campaign coordination ensuring consistent brand messaging and creative alignment from ideation to delivery across digital and offline channels.

EDUCATION

Bachelor of Management Studies (BMS) – Marketing Management

University of Mumbai | June 2021 – May 2024

Specialized in brand strategy, consumer behavior, and business communication.
